
OBSOLETE BANKNOTES FOR SALE

It will take some time for us to fully populate these prices. If you have an interest in a particular note for which the price is not yet listed, please email your inquiry (to writger@gmail.com).

If you wish to purchase one or more items, please send an email to writger@gmail.com to confirm that the items have not been previously sold. We will confirm the sale and ship upon clearance of your payment. We accept checks, money orders, and Zelle, but we are not equipped to accept credit cards.

Each item includes shipping to a U.S. destination. Foreign sales must be sent by a service that includes shipment tracking, and such cost is to be borne by the foreign buyer. Foreign buyers are also responsible for any customs duties or other charges added by the destination country.
